Previous ISSUE Released at 11:30 AM (CANBERRA TIME) 15/11/2001

Summary

About this Release

ABOUT THIS RELEASE

An up-to-date overview of economic trends in New South Wales. Key economic trends are highlighted in overview and main features section at the front of the publication, followed by detailed tables and graphs. The key monthly economic indicators included are: employment, unemployment, new motor vehicle registrations, building approvals, retail sales, finance and international trade. Also includes the quarterly indicators: tourism, private new fixed capital expenditure, production of electricity and gas and estimated resident population.
